

# PowerDRIVE | Qi WIRELESS CAR CHARGER FAST CHARGE

## Product description

miniBatt PowerDRIVE is a practical wireless charger with 2 high-performance induction coils and a 10W fast charge system compatible with all devices with the Qi wireless charging system, including the **iPhone 8 / 8plus, iPhone X or Samsung**.

With an elegant and modern design in anthracite, this new wireless charger incorporates a mounting system so that it can be attached to the air vents of the vehicle, leaving the telephone to charge held only by the lower edge and sides of the charger.

Forget about disorganised cables and enjoy driving with wireless charging in the simplest way with the new wireless charger designed by miniBatt.
